3131 Rotary Table Kit with 3-Jaw 3" Chuck	\$219.95
3132 Rotary Table Kit with 4-Jaw 3" Chuck	219.95

This horizontal / vertical rotary table is made of precision machined cast iron and has a 2 Morse taper center hole. The table is graduated to 10 seconds. The rotary table is furnished with lock down clamps.

The dividing plate set consists of one plate with two sets of holes. One circle has 15 holes and the other has 28 holes. This lets you divide a circle into 1/3-degree increments.

The adapter works with both 3- and 4-jaw 3" chucks.

The chuck includes a chuck key, inside and outside jaws (reversible jaws on the 4-jaw chuck), and mounting bolts.

The kit includes everything you need for dividing and indexing!
